Hindou Oumarou Ibrahim uses indigenous peoples' traditional knowledge to map natural resources and prevent climate conflicts in the Sahel.

鸣谢: ©Rolex/Audoin Desforges

编码: rae21_oumarouibrahim_21ed_00013_r

The reality of climate change is known to few better than the people of Chad. Hindou Oumarou Ibrahim offers to bring them together to solve the crisis by using the unlikely medium of mapping.

Luiz Rocha works to explore and protect mesophotic coral reefs and their biodiversity in the Indian Ocean, and to strengthen conservation of these largely unknown ecosystems.

鸣谢: ©Rolex/Bart Michiels

编码: rae21_rocha_-22fg_0042

Luiz Rocha prepares his diving equipment to descend a hundred metres or more beneath the ocean surface.

鸣谢: © Rolex/Franck Gazzola

编码: rae21_rocha_-22fg_0098

A world expert in ichthyology (the study of fish), Luiz Rocha is skilled in recognizing new species of marine life.

鸣谢: © Rolex/Franck Gazzola

编码: rae21_rocha_-22fg_0190

Deep dives are complex so divers cooperate according to a protocol to ensure the maximum number of discoveries.
